\$100,650.00

In the above report the woman's committee at both Logan and San Jon had sold a great many more bonds than the report shows, but that is all I received reports for so could only report that amount.

I want to thank the gentlemen who worked with the railroad men for the sale of the bonds and who so kindly gave the women the entire credit.

I also want to thank all those who helped to make our work a success and particularly the gentlemen who donated the use of their cars and their time for our county drives.

When taking into consideration that our entire quota was raised on the sale of small bonds you will readily see this county deserves great credit for going over the quota so far. I have received a message of congratulation from Santa Fe for our splendid work and I want to pass this on to all who helped in the great cause.

GRACE GEORGE.

County Chm. Woman's Liberty Loan Committee

County organizer, F. C. Beebe has worked faithfully for the past month in the Liberty Bond campaign and deserves much credit for the successful showing made by Quay county. Tucumcari subscribed nearly \$80,000.00, her quota being only \$72,150. The total amount subscribed for Quay county was \$135,500, the quota being but \$109,550. This entitled Quay county and Tucumcari to honor flags which arrived last week and were put up with fitting ceremonies Saturday afternoon. Mr. James and his band have always been present ready to do their part without charge other than their expenses. The best talent of the county have given their services free to speak wherever and whenever possible. In fact Quay county has done herself proud. It took hundreds of \$50.00 subscriptions to put the proposition over and those who helped accomplish this seemingly impossible task are proud of the success.

The several banks of the county did all they could. The First National of Nara Visa through the efforts of the cashier, Miss Ruth Burns, made a most splendid showing, \$14,250 being subscribed through that bank.

The new bank at San Jon is given credit with more than \$5800 which proves that there are few slackers in that part of the county.

QUAY COUNTY INSTITUTE

The Quay County Teachers' Institute will be held at Tucumcari at the Four Points school building, beginning June 3, and closing June 15.

For further particulars write Supt. Jas. A. Atkins, Tucumcari, N. M.

Parties who can accommodate teachers during the institute either with board or room, please phone me at the Court House. Phone 360.

SCHOOL CLOSURES IN TUCUMCARI

The graduating class of 1918 held its exercises at the High School last Friday evening before a large audience. A nice program was rendered. Supt. W. D. Shadwick gave a most splendid address; in fact, one of the very best ever delivered before a graduating class in Tucumcari. The class was by far the largest ever graduated here and was composed of fifteen fine young ladies and six young men, but three were not here to take part in the exercises, having joined the service of their country.

Class night Thursday evening was also well attended, a number of the graduates taking part in the program. Saturday night the High School Alumni gave a reception for the Class of 1918 and initiated them into the World. From reports the initiation was quite severe but an excellent time was had and the banquet was a genuine success.

W. E. Horr lost a box containing valuable papers which he very much desires to find. He would gladly pay a reward for their recovery and will ask no questions if box is returned to him or to this office. There is nothing of value to anyone but himself and they are papers that cannot be replaced. Please return them.

FOR SALE—Ten head of good grade cows, four and five years old. With calves by their side. Price \$65 per head. Terms, cash or bankable note. See Thos. P. Ritz, Tucumcari, N. M.

MOTHERS' DAY

at the Baptist church, Sunday. At 9:45 every Baptist mother is especially invited and urged to be present at Sunday school. A special program is being prepared for you. We sincerely hope every mother will be present. This is your day, give us the pleasure of your presence. This is not saying that the men cannot come. We want you, too.

At 11 o'clock the subject of the sermon will be "MOTHER," and there will be special music. We hope everybody will honor mother that day by coming to church.

At the evening hour the subject will be "Excuse Making."

GEO. E. ELLIS, Minister.

JUDGE S. H. McELROY PASSED AWAY FRIDAY MAY 3, 1918

Judge S. H. McElroy, one of Tucumcari's best known and best liked citizens, died Friday afternoon, May 3, after an illness which dates back nearly two years when he was first stricken with paralysis. He partially rallied from the first attack but was rendered an invalid. He was a man of remarkable strength and energy and never thought but that he would sometime recover his former good health. Funeral services were conducted Saturday afternoon at the Presbyterian church by the Masonic order, of which he had been a member for years. The body was taken to El Paso where on Sunday he was laid to rest beside his wife who preceded him several years ago. The son, Harry H., and daughter Mrs. Paul Brinegar, of this city, have the sympathy of the entire citizenship in this sad hour of bereavement.

Resolutions of Respect

Whereas the Supreme Ruler of the Universe has seen fit to take unto Himself the beloved father of our sister, Louise McElroy Brinegar, we hereby extend our heartfelt sympathy to our sister and commend her to the Great Comforter in this her great affliction.

We submit a copy to the Chapter for recording.

Tilly Stark Gordon,
Mame Shelton Conwell,

OBITUARY

Jno. L. Stovall was born in Hart county, Ky., May 22, 1867. At four years of age his parents moved to Laclede county, Mo., where he grew to manhood. For over thirty years he has spent his entire time preaching the gospel in Texas, Oklahoma, New Mexico, Arizona, and some in Kansas and Louisiana. At the time of his death his home was at McKinney, Tex.

In 1892 he was married to Miss Ellen Garrett. To them were born five children, only one of whom is now living, T. F. Stovall, of Dallas, Tex. He lost his first wife in January, 1908, and in August of the same year was married to Mrs. Ollie B. Green. To them was born one child, Harold, aged two years and four months. Mrs. Stovall now lives at McKinney.

Mr. Stovall spent a great deal of his time preaching in new fields. At the time of his death he was working as a missionary in New Mexico. It has been said for years that he could quote more scripture than any other living man. He was the first Christian preacher to preach in Tucumcari. That was sixteen years ago.

Card of Thanks

The family wishes to express their thanks and appreciation to the physicians and friends of Tucumcari for the many kindnesses and attention given Mr. Stovall during his eleven days' sickness. Nothing was left undone that could have been done for him.

Mrs. Jno. L. Stovall and Family.

WESSON—SHAFF

Last Saturday evening at ten o'clock there occurred a very pretty wedding of more than usual interest, when Jno. Edward Wesson and Miss Juanita Fern Shaff were united in the holy bonds of matrimony.

The groom has just completed two years' labor among us as an instructor in the high school, of admitted ability and great popularity among the student body. The bride is a charming Tucumcari girl and favorite in the younger social circle. She just graduated from High School where her merit had earned her a place of leadership in dramatic art.

At the appointed hour the rich tenor voice of the bride's brother, Mr. Lucius Shaff, delighted the guests as he sang "O, Promise Me." Mrs. Brown then played Lohengrin's wedding march as the contracting parties, with measured tread, were escorted to their station by the officiating minister. Here the vows were taken, the ring placed upon the bride's finger, and the words pronounced that changed the relation of each to the other, after which the groom publicly placed his own peculiar seal of approval upon the new covenant, and congratulations became the order.

The groom was arrayed after the usual manner of grooms, while the bride wore a wedding gown of white satin covered with white net of sheer silk. She carried a beautiful bouquet of bride's roses and with the bridal veil framing her countenance—a trifle pale, set with lustrous black eyes and crowned with ebony hair—she made a picture good to look upon. The guests were: Dr. and Mrs. Brown and daughter, Miss Dillon, Dr. and Mrs. J. M. Doughty, Prof. and Mrs. W. D. Shadwick and daughter, Virginia, Mr. and Mrs. F. C. Jennings, Mr. and Mrs. I. C. Syler, Mr. and Mrs. L. C. Harris, Mr. and Mrs. D. W. Clark, and daughter, Miss Edna, the Misses Bussell, Syler, Wharton, Barnes, Whitmore, Mr. R. B. Wesson, Mrs. J. S. Shaff, Mrs. W. W. Mayes of Colorado Springs, an aunt of the bride, besides the immediate family. The ceremony was performed by Norris J. Reasoner, minister of the Christian church.

The happy couple left at nine Sunday morning for Cherokee, Okla. The News joins the host of their other friends in wishing them every joy.

\$260,000,000 WAGE INCREASE IS ASKED FOR RAILROAD MEN

Washington, May 7.—Director General McAdoo will announce soon his decision on recommendations of the railroad wage commission, which was said in well informed quarters today to propose an average of 20 per cent advance in pay for all classes of railroad employees. If Mr. McAdoo follows the suggestion of the commission, approximately \$260,000,000 will be added to the payrolls of the nation's railroads.

Strong pressure is said to have been brought to bear on the director general to modify some of the commission's recommendations, especially affecting the four great brotherhoods. Mr. McAdoo is not bound to follow the advice of the commission and can increase or reduce their recommendations as he sees fit. The commission has followed its announced policy of giving the highest paid unions the lowest rate of advance, holding relief is needed most by the men who have been barely making ends meet or perhaps going in debt on the wages they received.

1918 CHAUTAQUA MUST "GO OVER THE TOP"

Last year we sold season tickets amounting to \$2000.00. That was our first Chautauqua and everybody was pleased. So far for this season we have sold season tickets amounting to \$1250.00 and must sell \$750.00 more to equal last year's sales. No reserved seats will be sold unless accompanied by season tickets. Season ticket sale will close Thursday night, May 16th, the first day of the Chautauqua. You had better secure season tickets at once. Chautauqua committee will meet at the Chamber of Commerce office Monday morning at 10 a. m. for final arrangements.

DEMOCRATS WILL NOMINATE TICKET SATURDAY, MAY 25

At the Democratic meeting held in Tucumcari Saturday afternoon it was decided to choose candidates by convention. Precinct meeting will be held in the various precincts on Saturday, May 18, at 2 o'clock, to choose delegates to the county convention to be held the following Saturday, May 25, in Tucumcari, convening at 10 o'clock in the morning.

The list of Liberty Bond buyers in the News this week is only those who applied for bonds through the Tucumcari banks. If your name has been omitted we will gladly correct the mistake next week. If you are ashamed because your name does not appear in this list prepare to buy a bond if it becomes necessary to sell the Fourth Liberty Loan Bond.

The Tucumcari-Electra Oil Co., is a new firm organized in this city and hopes to sell enough stock to drill a few wells in the Electra field.

RED CROSS DRIVE FOR \$100,000,000 TO OPEN MAY 20

Washington, May 7.—President Wilson today issued a proclamation designating the week beginning May 20 as "Red Cross Week," and calling upon the American people to contribute generously to the second \$100,000,000 war fund of the American Red Cross for the alleviation of suffering among the American troops in France and their dependents at home and among the fighting forces and civilian populations of the allied countries.

The proclamation follows: "Inasmuch as the war fund of 1917 so generously contributed by the American people to the American Red Cross for the administration of relief at home and abroad, has been practically exhausted by appropriations for the welfare of the men in our military and naval forces, and for those dependent upon them, and for the yet more urgent necessities of our allies, military and civilian, who have long borne the brunt of war.

"And inasmuch as the American Red Cross has been recognized by law and international convention as the public instrumentality for war relief.

"And inasmuch as the year of our own participation in the war has brought unprecedented demands upon the patriotism and liberality of our people and made evident the necessity of concentrating the work of relief in one main organization which can respond effectively and universally to the needs of humanity under stress of war.

"And inasmuch as the duration of the war and the closer and closer cooperation of the American Red Cross with our own army and navy, with the governments of our allies and with foreign relief organizations, has resulted in the discovery of new opportunities of helpfulness under conditions which translate opportunity into duty.

"And inasmuch as the American Red Cross war council and its commissioners in Europe have faithfully and economically administered the people's trust.

"Now, therefore, by virtue of my authority as president of the United States and president of the United States and president of the American Red Cross, I, Woodrow Wilson, do hereby proclaim the week beginning May 20, 1918, as 'Red Cross Week,' during which the people of the United States will be called upon again to give generously to the continuation of the present work of relieving distress, restoring the waste of war and assisting in maintaining the morals of our own troops and the troops and peoples of our allies by this manifestation of effort and sacrifice on our part of those who, though not privileged to bear arms, are of one spirit, purpose and determination with our warriors.

"In witness whereof, I have hereunto set my hand and caused the seal of the United States to be affixed.

"Done in the District of Columbia this 4th day of May, in the year of our Lord one thousand nine hundred and eighteen, and of the independence of the United States of America the one hundred and forty-second.

(By the president.)
(Signed) WOODROW WILSON.
"Robert Lansing, Secretary of State"

Ernest Simpson has decided to enter the race for sheriff of Quay County subject to the action of the Democratic convention, May 25. He has been a resident of this county sixteen years and is well known in Tucumcari and vicinity. He was city marshal here a number of years and showed himself to be an officer of ability. He resigned the office to move to his farm 18 miles south of town, where he has lived ever since. His many friends are working hard for his nomination although the time is limited to two weeks, and Mr. Simpson will not have time to visit the several precincts. He is a Democrat and always has been a loyal supporter of the Democratic candidates and party. He has never run for office but if nominated and elected he will make Quay County an excellent officer. Read his announcement on another page.

MOTHER'S DAY

The Christian church will observe Mother's Day next Sunday at eleven o'clock. Special music is being prepared and we cordially invite all our friends to come and honor the mother with us. Wear a white carnation if she has "gone before," and a red one if she is living. Evening services and Bible school as usual. Come.

Norris J. Reasoner, Minister.

Food
Conservation of food is absolutely necessary to win the war. Its up to you
